**RESPONSE TO RESTRICTION REQUIREMENT**

Sir:

In response to the Office Action dated February 4, 2008, Applicants provisionally elect the claims of Group 1 (i.e., claims 1-16) without traverse.

As set forth in M.P.E.P. § 803 and § 806.04, if the search and examination of an entire application having a reasonable number of species can be made without serious burden, the Examiner must examine it on the merits, even though the application contains claims to independent or distinct inventions or species.

Under such circumstances, the Examiner is encouraged to maintain all claims in the same application.

An early and favorable consideration is earnestly solicited. If the Examiner has any further questions or comments, the Examiner may telephone Applicants' Attorney to reach a prompt disposition of this application.

Respectfully submitted,

---
